

## SAINT THOMAS MORE CATHOLIC SCHOOL

March 12, 2020

RE: Corona Virus

Alhambra Unified School District (AUSD)

Parents/Guardians, & Staff,

Regarding the updates that I emailed you, STM will be following the “AUSD Step One in the new protective, social distancing measures”. Therefore, all assemblies, field trips, parent meeting, March Madness, birthday and other celebrations, and/or other school events are canceled.

STM will also be following AUSD Step Two “the need to reduce the number of people coming onto the school campus. Therefore, effective immediately the amount of people entering the campus will be limited. Please send lunch with your child instead of dropping off food at lunch time. This helps limit you bringing in any germs you have been exposed to.

As a community we need to work together to keep everyone follow the guidelines for the safety of our students and ourselves.

Blessings,

N. Gibson
